6. LIMITED WARRANTY.

(a) Licensor warrants that for a period of thirty (30) days from the date of acquisition, the Software Product, if operated as directed, will substantially achieve the functionality described in any Documentation. Licensor also warrants that the media containing the Software Product, if provided by Licensor, is free from defects in material and workmanship and will so remain for one (1) year from the date Licensee acquired the Software Product. Licensor does not warrant, however, that Licensee's use of the Software Product will be uninterrupted or that the operation of the Software Product will be error-free. Licensor does not warrant the Software Product is free of viruses.

(b) Licensor's sole liability for any breach of this warranty shall be, in Licensor's sole discretion (i) to replace Licensee's defective media or Software Product, or (ii) to advise Licensee how to achieve substantially the

same functionality with the Software Product as described in the Documentation through a procedure different from that set forth in the Documentation, or (iii) if the above remedies are impracticable, to refund the license fee Licensee paid for the Software Product. Repaired, corrected, or replaced Software Product shall be covered by this limited warranty for the period remaining under the warranty that covered the original Software Product, or if longer, for thirty (30) days after the date (A) of delivery to Licensee of the repaired or replaced Software Product, or (B) Licensor advised Licensee how to operate the Software Product so as to achieve substantially the same functionality described in the Documentation.

(c)   Licensor will only be obligated to honor this warranty if Licensee informs Licensor of Licensee's problem with the Software Product during the applicable warranty period and provides physical evidence of the date Licensee purchased or obtained a license to the Software Product. Licensor will use reasonable commercial efforts to repair, replace, advise or refund the license fee pursuant to the foregoing warranty within thirty (30) days of being so notified.

(d)   If any modifications are made to the Software Product by Licensee during the warranty period, if the media is subjected to accident, abuse, or improper use, or if Licensee violates the terms of this Agreement, then this warranty shall immediately terminate. This warranty shall not apply if the Software Product is used on or in conjunction with hardware or software other than the unmodified version of hardware and software with which the Software Product was designed to be used as described in the Documentation.

(e)   This is a limited warranty, and it is the only warranty made by Licensor. Licensor makes no other warranties, express or implied, including, but not limited to, implied warranties of merchantability, fitness for a particular purpose, title, and non-infringement of third parties' rights. To the full extent permitted by law, the duration of statutorily required warranties, if any, shall be limited to the above limited warranty period. Moreover, in no event will warranties provided by law, if any, apply unless they are required to apply by statute notwithstanding their exclusion by contract. No dealer, agent, or employee of Licensor is authorized to make any modifications, extensions, or additions to this limited warranty.

Licensor and its suppliers specifically disclaim any express or implied warranty of fitness for High Risk Activities.

8. LICENSOR'S INFRINGEMENT INDEMNIFICATION OBLIGATIONS.

(a)   Notwithstanding any other provisions of this Agreement, Licensor shall defend and hold harmless You from Infringement Claims, and indemnify You for damages finally awarded against You to the extent such damages are attributable to direct infringement by the Software Product or agreed to in settlement by Licensor, plus costs (including reasonable attorneys' fees and expenses). In the event of any Infringement Claim, Licensor shall have the right, at its sole option, to obtain the right to continue use of the affected Software Product or to replace or modify the affected Software Product so that it may be provided by Licensor and used by You without infringement of third party United States patent, copyright or trade secret rights. If neither of the

foregoing options is available to Licensor on a commercially reasonable basis, Licensor may terminate the applicable Software Product license and refund to you a pro rata portion of the Software Product license fee based on a three (3) year straight line depreciation. The foregoing is your sole and exclusive remedy with respect to third party infringement claims.

(b)   Licensor's indemnification obligations described in Section 8(a) shall not apply to any infringement resulting from: (i) any use of the Software Product not in accordance with the Agreement; (ii) any use of the Software Product in combination with other software or hardware not supplied by Licensor if the alleged infringement would not have occurred but for such combination; (iii) any modification of the Software Product not performed by Licensor if the alleged infringement would not have occurred but for such modification; or (iv) use of an allegedly infringing version of the Software Product if the alleged infringement could be avoided by the use of a more current version of the Software Product made available to you.

(c)   You agree that you will immediately notify the Licensor of any threat, claim or recourse from a third party alleging infringement and that you will cooperate with Licensor regarding the defense, the litigation or the settlement of such an allegation.

9. LIMITATION OF REMEDIES. UNDER NO CIRCUMSTANCES AND UNDER NO LEGAL THEORY SHALL LICENSOR, OR ITS SUPPLIERS OR RESELLERS, BE LIABLE TO LICENSEE OR ANY OTHER PERSON FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY CHARACTER INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF GOODWILL, LOST PROFITS, BUSINESS INTERRUPTIONS, WORK STOPPAGE, PERSONAL INJURY, COMPUTER FAILURE OR MALFUNCTION, OR ANY AND ALL OTHER PERSONAL OR COMMERCIAL DAMAGES OR LOSSES ARISING FROM THE USE OR INABILITY TO USE THE PROGRAMS (WHETHER OR NOT DUE TO ANY DEFECTS THEREIN). IN NO EVENT WILL LICENSOR BE LIABLE FOR ANY DAMAGES EVEN IF LICENSOR SHALL HAVE BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES, OR FOR ANY CLAIM BY ANY OTHER PARTY. THIS LIMITATION OF LIABILITY SHALL NOT APPLY TO LIABILITY FOR DEATH OR PERSONAL INJURY RESULTING FROM LICENSOR'S NEGLIGENCE ONLY TO THE EXTENT APPLICABLE LAW PROHIBITS SUCH LIMITATION. In any case, LICENSOR'S entire liability under any provision of this Agreement shall be limited to the amount actually paid by Licensee for the Software Product.

10. INDEMNIFICATION. Licensee agrees to defend, indemnify and hold harmless Licensor, its suppliers and resellers from and against liabilities, costs, damages and expenses (including settlement costs and reasonable attorneys' fees) arising from any claims from any party that result from or relate to Licensee's use, reproduction, or distribution of the Software Product.

11. WEBSITE USE. Licensee shall protect the Licensee's login ID(s) and passwords (if applicable) to any of Licensor's Software Products, websites, repositories, and computing systems and also shall report any compromises of the foregoing to Licensor immediately. Licensee is prohibited from posting or transmitting harmful or illegal content, interfering with the website's operation, hacking into password protected areas, and taking actions that will create an unreasonably large load on the Licensor's computing infrastructure.

12. IMPORT/EXPORT RESTRICTIONS. Licensee agrees not to import or export the Software Product (or any copies thereof) or any products utilizing the Software Product in violation of any applicable laws or regulations of the United States or the country to which Licensee has imported or exported. Licensee agrees to indemnify Licensor from liability if Licensee violates any such laws or regulations.

13. SEVERABILITY. In the event any provision of this Agreement is found to be invalid, illegal or unenforceable, the validity, legality and enforceability of any of the remaining provisions shall not in any way be affected or impaired.

14. GOVERNING LAW. This Agreement shall be governed by and construed under the laws of the State of South Carolina, United States of America, but excluding that body of law applicable to choice of law and excluding the United Nations Convention on Contracts for the International Sale of Goods and any legislation implementing such Convention, if otherwise applicable. The Parties hereby consent to the jurisdiction of the courts of the State of South Carolina.

15. ENTIRE AGREEMENT. Licensee further agrees that this Agreement is the complete and exclusive statement of the agreement between Licensee and Licensor that supersedes all proposals or prior agreements, oral or written, and all other communications between Licensee and Licensor

relating to the subject matter of this Agreement. This Agreement may only be modified by a written agreement signed by both Licensee and Licensor.

16. ACKNOWLEDGMENT. By using any part of this Software Product, Licensee indicates that Licensee has read this Agreement, understands it, and agrees to be bound by its terms and conditions.
